Geo Enviro Solution

<https://www.geoenvirosolution.in/>

We are one of the most trusted and reliable manufacturer, trader and wholesaler of credible Laboratory, Water Treatment, Environment and Monitoring Services. These are recognized for their professional & timely nature and cost effectiveness.

About Us

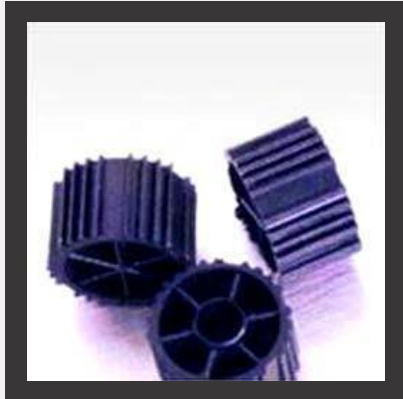

Established in the year **2010**, we, '**Geo Enviro Solutions**', are a promising organization involved in offering reliable Laboratory, Water Treatment, Environment and Monitoring Services. These services are executed professionally and by the utilization of our highly sophisticated facilities. Our professionals are adept in their respective domains and possess the required skill set for carrying out their role in the operations with utmost perfection. Also, these services are known for their flexibility, time-bound nature, cost-effectiveness and quality compliance.

Our modern infrastructure furnished with all the requisite amenities and latest technology, allows us to effectively undertake and carry out our services as per the specifications provided by the clients. Spread over a vast area and integrated with the laboratories, quality control department and plants, this facility is instrumental in establishing our prominence in this domain. We maintain an ethical code of conduct and offer our patrons the choice of making the payments in the form of cheque or DD. All these attributes have enabled us to build a huge clientele in Indian Subcontinent.

Under the expert guidance of our mentor, "**Mr. Nelson Senthil**", we have registered a phenomenal growth in domain in a very short span of time and have gained a distinct position in the market. His immaculate sense of business and principled approach form the basis of our policies...
